Kodak i1200 Plus Series Scanners Software Release Notes

Version CD 4.09 Summary

Purpose of Release: This is a CSM release of drivers for the Kodak i1200 Plus Series Scanners. Note: When installing a Kodak i1200 Plus scanner on a host PC for the first time the Full Install CD (shipped with the scanner) must be used. If the InstallSoftware_v4.09.exe driver installer is used for a new installation the Kodak Smart Touch application will not be installed. The InstallSoftware_v4.09.exe may be used to update a host PC that used an Install CD Version 1.x or higher for its first install.
