Dear Ms. Freudenheim and Mr. Wills,

I must make mention of your daring in naming your publication "Tribe." The knock on your tribe has always been that its members stand apart in any nation they reside in, looking only to their own tribal interests.

Can any person be a loyal member of two tribes? I never heard of a dual citizen Iroquois-Huron or an Apache-Navajo. I'm sure that many people, seeing your magazine, will think along those lines.

The classic example of such behavior is how Nathan Rothschild, acting on "inside information" that Napoleon had been defeated, fooled the goyim in the London Stock Exchange, started a panic, ruined many Englishmen and amassed a fortune. "Behind every great fortune is a great crime."

With the Federal Reserve and Goldman-Sachs in mind, ("Greed is good") I see no evidence that Nathan Rothschild's mindset is still not the mindset of the leaders of your tribe.

That tribe has two Achilles heels---more than Achilles had and you know what happened to him. One is Israel's blatant, knowing attack on the U.S.S. Liberty. The other is 9/11.

ZO-TRIBE 5-13-1010

Many people are coming to realize that 9/11 was an Israeli-Zionist “false flag” operation, a Lavon affair on a grand scale.

**A demonstration by people of that opinion will take place in front of the Israeli Consulate next Tuesday at 2 PM.
More information is on an enclosed separate sheet.**

Please come by and talk it over.

In closing, here is an interesting quote.

**Dr. Alan Sabrosky, Marine veteran and former Director of Studies at the U.S. Army War College, says:
“It is 100% certain that 9/11 was a Mossad operation. Period.”**

Best possible wishes,

Zan Overall.
